

Northgate Pharmacy now offers the ability to refill your prescriptions on the go. Simply download the app from the app store and enter the prescriptions you need refilled. Once the refill is submitted it will be sent directly to the store location of your request & it will be ready for pick-up.

To learn more follow the instructions listed in this brochure!

If you can't make it to the pharmacy to pick up your prescription, don't forget we offer free delivery!

Customer Instructions

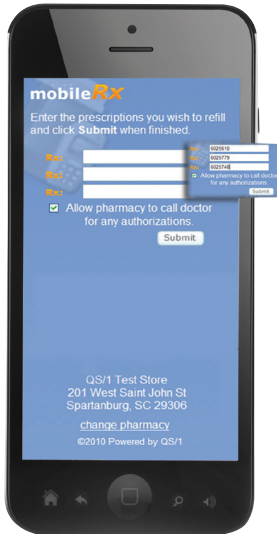

Prescription Refills on the Go

With the mobileRx® app, you can request refills from anywhere at any time using your iPhone® or Android™ phone.

Setup, App Version

Scan the QR code to download the app, and enter your pharmacy's phone number (2765254633) or (2766282001). That takes you to the home screen where you can choose an options for requesting refills.

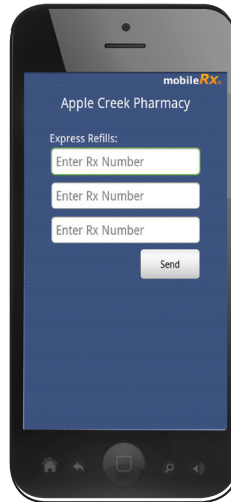

Setup, Web-Browser Version

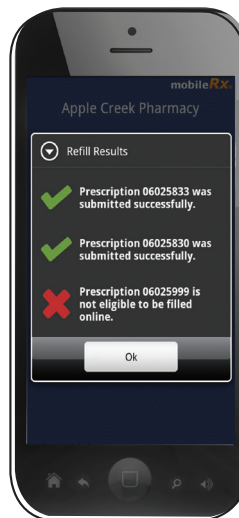

Visit m.mobilerx.net/NorthgatePharmacy, and enter your pharmacy's phone number, area code first, with no spaces or dashes (2765254633) or (2766282001)

Express Refills

This feature allows you to enter up to three prescription numbers to be refilled at a time. To request more than three refills, repeat the process.

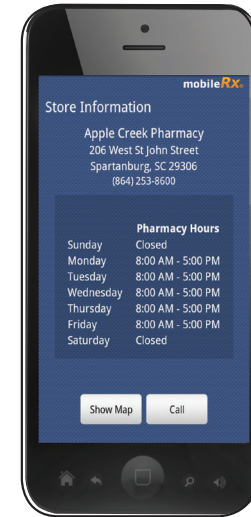

This feature notifies you instantly if prescriptions are accepted or if there is an error.

Pharmacy Information

This option provides information about your pharmacy, including name, address, phone number and hours of operation.

Need more assistance or have a question? Please contact our pharmacy. We will be glad to help!
